

Play your part BE FLU SMART

Flu
IS SERIOUS

NHS Lanarkshire is delivering this year's flu vaccine to everyone who is eligible, this is more than 300,000 people:

2-5

Children aged
2 to 5 years
(not yet in school)

-65

Everyone at risk
aged under 65

65+

Everyone aged 65
and over

Household members
of people who
are shielding

55-64*

Everyone aged 55 to 64 who
are not otherwise eligible
*(if vaccine supplies allow)

If you are eligible you will receive a letter with an allocated appointment at a large vaccination clinic.

Letters will be sent out in batches over the coming weeks.

Pregnant women will receive their vaccine from their midwife and primary school children will receive it at school.

It is important to get your flu vaccination every year to help protect you, your loved ones and the NHS.
